

## Comfort Socks Newsletter - August 2010 - Socks for the Homeless

### Great News for Comfort Socks

Soodle Billy –our great supporter in Ireland has done it again – now she was successful at getting an article written about Comfort Socks in a Newspaper in Ireland! And - she has been collecting socks to boot. How excited we are...and oh so grateful for her efforts and faithfulness to our mission. Now that’s the kind of support we jump up and down about!

### Welcome New Socks Recipient

Comfort Socks proudly welcomes **Standupforkids.org**, our newest sock recipient. We boxed up over 300 pairs of socks to help their Boston, MA location. Read all about the amazing work this organization does for the youth on the streets of America.

You can make the difference. Join our supporters and help us grow.

### Sock Collectors, Expecting Great Things

Thank you so much to all our sock collectors – past, present and future, we could not do it without you.

Wondering what to do with all those religious items you get in the mail? Give them to us. Comfort Socks will ship out these items of Hope along with the socks. You never know whom it will touch.

### **Special Thank You to North Pines, Inc.**

We were so blessed by David and Jennifer Zirt - owners of North Pines, Inc. Once again they pull through for us - sending 500 Pairs of Socks. David and Jennifer just felt they should call and see what Comfort Socks needs. What really inspired me was the call was not in response to my reaching out - but a response to a prompting of the heart. It is that sort of action that encourages us so much. Thank You David and Jennifer - check out North Pines, Inc - they have great products, and by supporting them, you are support us too.

### **Ken Larson – New Mexico**

It was a happy day when I received a call from Ken Larson. Ken is a man with a passion for doing good. Active and dedicated to purpose, Ken has heard our call and is collecting socks with a powerful spirit of brotherly love attached. I applaud Ken, and welcome him to the Comfort Socks family. Please check him out on facebook, for Ken has plans of his own that will manifest into a great work that will touch the lives of many, many people. Read about his work here

### **To those who are thinking of collecting socks...Please Just Do It**

**Attention Teachers** - now is a good time to approach your Principal/PTA/PTO about getting the students involved in socks drives. Comfort Socks welcomes the participation of the youth of America. Especially those willing to make cards of hope that we can include with our socks to the homeless shelters. **Don't be shy** - you will be planting seeds that will grow to be priceless!
