

Comfort Socks Labor Day Weekend 2009

Sept 5, 2009 @ Beach House Harley Davidson

A successful “Pack your Saddlebags” event!

Comfort Socks was given the opportunity to spread the word about the work we do, and make some new friends along the way.

Rick and Jan Noyes, owners of Beach House Harley Davidson, welcomed Comfort Socks from the moment we introduced ourselves. Besides hosting the event at their Shallotte Store, Rick and Jan Noyes generously contributed gift cards (\$50.00 and \$100.00) raffled that day. We were blessed to come to know Janice throughout the day.

The Beach House Harley Davidson staff was so helpful and professional, going out of their way throughout the entire day. Always stepping up with a smile, they took time to introduce our cause to their customers by making announcements about our event, helping us with sock donations, making sure our booth was always in shade, and taking time to learn about us.

Thank you, Beach House Harley Davidson, for all you do.
