## Coastal Shag Club collects new socks for Comfort Socks

The Coastal Shag Club collected packages of new socks at its Dec. 19 dance, which were then donated to Comfort Socks, a public charity that collects new socks for distribution to nonprofit organizations supporting local homeless people, families and veterans.

Comfort Socks organizers believe the warm and comfortable feeling of new socks help ease the pain of someone who feels lost or forgotten, as well

as being an important part of health and a constant need for homeless shelters.

The Coastal Shag Club promotes the preservation of shag dancing and beach music and has monthly dances. The public is welcome.
