## Comfort Socks

(910) 269-8577

Aside from the obvious hygiene benefits of new socks for homeless people and families, our mission is one of Comfort. We know that new socks simply feel good, and will provide comfort to someone going through a difficult time.

Comfort Socks also recognizes that sock drives encourage kindness and purpose for young and old alike. Part of our mission is to inspire others, so that the comfort these socks bring can be enjoyed soulfully by the provider and recipient.

If you would like to know more about our mission, and how you can help others with this simple act of kindness, please visit our website at [www.comfortsocksonline.org](http://www.comfortsocksonline.org).

We can also be found on facebook, youtube and twitter. Help us give the gift of comfort to the homeless of America. Please join the Comfort Socks family today.
