

Waffle House Loves Comfort Socks

Waffle House loves more than waffles these days, they love the simple, yet important Comfort Socks mission of bringing new socks to homeless people. So, with outstretched hands, they want to partner with us - and are willing to stretch out their hands to you too.

Waffle House will give away a [free waffle to anyone bringing in a package of socks](#) for Comfort Socks. The Shallotte and Leland stores will kick-off the campaign beginning with the month of February.

Just stop by the Leland or Shallotte locations, and the staff there will welcome your sock donation with a smile and a fresh waffle, **FREE**. Now that's something sure to warm your heart and stomach.

What type of socks are needed? New Men's Crew-Length socks are in the highest demand.

Comfort Socks is a 501(c) public charity - and appreciates your support. Find out more about this organization, please visit www.comfortsocksonline.org or go to the events tab at www.facebook.com/comfortsocks.
