

It was in March 09 when Comfort Socks received the phone call that lifted us to a new level. The Galabash Community got together and worked for three months doing sock drives for the Comfort Socks purpose.

Many different organizations and multitudes of people worked hard to deliver 1547 pairs of socks to Comfort Socks.

Thank you from the bottom of our hearts for all you do.

Special Thanks to JC and Louis Peloquin, pictured here delivering socks to Theresa Tese – Comfort Socks Founder and Director.

JC and Louis responded instantly to the Comfort Socks request to raise 300 pairs of socks – and their efforts yielded the blessing of a community effort that pours out caring and concern for others.
